

To our valued referral sources, vendors & clients,

We know the novel coronavirus (COVID-19) continues to be top of mind for many of our employees, clients, vendors & referring partners. We want to assure you it is for us, as well!

First, we want to reassure you that these actions are precautionary as your wellbeing and safety are our top priority. This past week, due to the growing public health crisis, here is what we are doing at Sunstreet Mortgage:

- We are open for business and busier than ever! We have, however, moved to a mostly remote platform which will provide an ongoing and seamless process flow for you.
- We are reminding everyone in our branches to practice preventative hygiene methods to minimize the risk of potential infection.
- We have postponed all group meetings and trainings through the end of March.
- We have implemented social distancing guidelines throughout the organization.

Sunstreet will continue to closely monitor the situation as it develops. Please know we are taking all necessary steps to keep our employees and the community safe!

Thank you for all you do!

Sunstreet Mortgage, LLC
